Uncovering the Truth: Interview and Investigation Techniques Workshop

Tuesday, October 11, 8:30am – 4:30pm

Memorial Union Black & Gold Room

Mr. Brett L. Ward, CFI, Vice President of Client Relations for Wicklander-Zulawski & Associates, Inc., will facilitate the workshop.

The FHSU Management Development Center (MDC) is excited to offer *Uncovering the Truth: Interview and Investigation Techniques*.

The Wicklander-Zulawski (WZ) workshop on Interview & Investigation utilizes practical exercises, new concepts/techniques and psychological principles to enhance fundamentals of the interview and investigation process for the investigator. The purpose of the course is to offer participants an opportunity to learn and practice the techniques in a workshop environment. The techniques discussed in this program will have application in all types of investigative interviews an individual conducts where discovering the truth is critical. This includes, but is not limited to, interviewing victims and witnesses, as well as individuals or employees suspected of being involved in acts of wrongdoing. This interactive workshop allows participants to work through actual case studies applying techniques taught by the instructor in real-world situations.

Learning outcomes include:

Understand specific investigatory prep strategies utilized by professional investigators

Apply principles and techniques in order to eliminate the innocent without damaging morale while identifying the guilty

Handle denials, objections and deal with difficult individuals who attempt to take control of the interview

Determine the most appropriate rationalization to overcome the subject's resistance and convince them that honesty is the only educated option

Your registration fee is either complimentary or significantly reduced thanks to your FHSU Vice President. Please register through the Management Development Center Application on Lotus Notes (click on workshop registration). Contact Conni Dreher by phone at (785) 628-4121 or email at cdreher@fhsu.edu if you need assistance with registration.

FHSU student fees are \$25 (full workshop) or \$15 (partial workshop). Student registration is available in person in McCartney Hall 225 between September 20 and October 4. The MDC appreciates the financial support from the following Fort Hays State University student organizations: Accounting Club, Alpha Kappa Psi, Association of Certified Fraud Examiners, Criminal Justice Club and Society for Human Resource Management! These student organizations made it possible for students to attend at a significantly reduced price!
